

Graduate students/Visiting scientists/Internships supervised

Graduate students

Yan Liu-M.S. Student- Department of Agronomy and Resource Sciences-graduated in May 2000 (Co-Chair).

Omar Montemeyor, Department of Agronomy and Resource Sciences-expected to graduate in May 2003 (Co-Chair).

Basavaraj Girrenavar, Department of Agronomy and Resource Sciences-expected to graduate in May 2005 (Chair).

Jiaxing Li- M.S. Student, Department of Horticultural Sciences, TAMU College Station-graduated in December 2002 (Co-Chair).

Jairam Vanamala- Ph.D. Student, Department of Horticultural Sciences, TAMU College Station-expected to graduate in May 2004 (Co-Chair).

Jun Yu- Cooperative Ph.D. Student, Department of Agronomy and Resource Sciences, TAMUK and Department of Horticultural Sciences, TAMU College Station -expected to graduate in May 2005 (Co-Chair).

Shibu Poulose- Cooperative Ph.D. Student, Department of Agronomy and Resource Sciences, TAMUK and Department of Horticultural Sciences, TAMU College Station-expected to graduate in August 2005 (Co-Chair).

Sivaramkrishnan Muthukrishnan- Cooperative Ph.D. Student, Department of Agronomy and Resource Sciences, TAMUK and Department of Horticultural Sciences, TAMU College Station-expected to graduate in December 2005 (Co-Chair).

Chandrsekara Chappidi- Cooperative Ph.D. Student, Department of Agronomy and Resource Sciences, TAMUK and Department of Horticultural Sciences, TAMU College Station -expected to graduate in May 2006 (Co-Chair).

Guo Haixin- M.S. student- Department of Agronomy and Resource Science- TAMUK (Chair).

Xiofan Zhang- Ph.D. student- Department of Horticultural Sciences, TAMU, College Station (Co-Chair).

Hima Konuru, M.S. student-Department of Agronomy and Resource Science, TAMUK (member). Graduated in December 2001.

Visiting Scientists/ Post Doctoral Research Associate

Dr. Ananthkrishnan S, Post Doctoral Research Associate, TAMUK. August 2002-present.

Dr. Girija Raman, Post Doctoral Research Associate, TAMUK. April 2002-present.

Dr. Quingguo Tian, Post Doctoral Research Associate, TAMUK. June 2000-May 2002.

Gerson Peltz, M.D. sponsored by the **Brazilian National Cancer Institute** for two year 1998-2000. Currently, he joined as a faculty in the University of Texas at Brownsville.

Dr. C.R. Sankar, Sponsored by the **Food and Agriculture Organization**. Completed training in December 2000. He is currently working as a faculty at Andra Pradesh Agriculture University. See his completion of training certificate (attachment A14b).

Curriculum Vitae

Visiting Student Training: Ms. Ceclie Tixier from France- Sponsored by **Ecole Nationale Supérieure Agronomique (ENSA)**, France-1998

Summer Internships/Undergraduate student training:

Mr. Marc Villalobos-Extraction of Phytochemicals, analyzing leaf samples-1999 to present.

Ms. Etem Chu, Extraction, isolation of limonoids

Mr. Jose Garcia, Quantification of Citrus limonoids-summer 2002

Mr. Erica Salinas, Isolation and Characterization of citrus flavonoids-summer 2002

Mr. Robert Cooper, purification and isolation of citrus pectin-summer 2002

Ms. Denise Santa Ana, Quantification of citrus limonoids-summer 2002

Mr. Michael Gutierrez, analyzing quality parameters, extracting grapefruit samples for phytochemicals-1999-00

Mr. Charlie Balli- Extraction of leaf samples for mineral elements-1999

Ms. Marlene Perez- Extraction of samples for chemical analysis-1998

Ms. Yaranja Diaz- Analysis of phytochemicals and extraction-1998

Mr. Mike Deleon- Analysis of citrus phytochemicals, extraction of samples, and conducting field experiments-1998
